## NOTICE

### Attention Aamjiwnaang Members;

Please be advised that there were reported high benzene levels at the AFN Sportscentre monitor, due to this, the buildings in that area will be **closed today, May 29<sup>th</sup>, and tomorrow, May 30<sup>th</sup>**. This includes the Band Office, Annex, Prevention, Education Admin, Public Works, CIDL, and Church buildings.

Staff will be working from home and will offer assistance to members as best as possible. Essential staff will be working out of the Community Centre to be able to provide assistance and services to members as some tasks are unable to be completed at home. We are asking members to still call the Band Office and to leave a voicemail as staff will receive it through their email and reach out to assist as best as possible. The link to our directory is included in this post.

We are advising that community members continue to exercise caution in avoiding the baseball diamond and playground areas.

We will continue to provide updates as they become available.

Miigwetch for your understanding and cooperation.
