LIVE MUSIC

MOHAWK FOLK AND SOUL

Logan Staats

29
AUGUST
7PM
COMMUNITY CENTRE

Logan Staats began as a diamond in the rough on the streets of Brantford, Ontario. He had no formal musical training, just a good ear and raw lyrical talent. He played the local circuit for years before his 2015 debut release 'Goodbye Goldia', an unvarnished yet hard hitting folk album. He went on to win CTV's 'The Launch' in 2018, gaining commercial success and touring across North America and Europe.

But travelling the world can really open your eyes to what's going on right at home, and the fight for indigenous sovereignty has become a focal point for Staats in recent years. It all intermingles with the music; the passion, the rage, the love, and most of all the healing. He's making roadtrippin' music for those travelling 'the red road', a path towards reconnecting and relearning indigenous ways.

This is the philosophy behind his sophomore album 'A Light In The Attic', released 2023. These songs are a healing salve, contemplatively composed and offered to listeners in need of comfort. Nowadays, he is busy at work recording his third album in Nashville.
