Community Center/ Bear Park Development

Attention Aamjiwnaang Members:

Community Services wanted to provide the following updates on the developments happening at the Community Centre and Bear Park.

As many may have noticed, a 60'x 24' addition on the south side of the Community Center has already started. This addition will be used to store large items like tables and chairs. It will also be equipped with a garage door, that will allow those utilizing the kitchen to unload under a covered roof, near the kitchen instead of at the front door of the Community Centre.

FineArtscape Designs has begun work on landscaping changes and upgrades. This will improve the appearance of the exterior of the Community Centre and require less maintenance and upkeep throughout the year.

Lastly, we will be replacing the bridge that goes over Talford Creek to the Wahboose Circle area as it has deteriorated the last couple of years.

Boozhoo! I am **Alexandra Beveridge**, an Ojibwe/Potawatomi woman who grew up in Sarnia, Ontario, and is also a member of Walpole Island First Nation. I am thrilled to be the new **Environment Worker for Aamjiwnaang's Environment Department!**

I attended Queen's University where I obtained my Environmental Science, BScH. I have a passion for environmental wellbeing and responsibility. In my previous role, I worked on a project on Walpole Island which focused on Climate Change and its impact on human and environmental health. I'm excited to be able to continue working in this field in an area which I consider home. In my free time, I enjoy knitting and crocheting, bowling, going to the beach, and spending time with my family and friends.

PLANT OF THE WEEK: GOLDENRODS GIIZISO-MASHKIKIWINASHK(OON)

With the arrival of the first goldenrod species (Early Goldenrod) across the landscape and many to follow Let's take a walk through their ecological importance. Goldenrods are a pollinator powerhouse, fitting of a flower shimmering with the colours of the sun. Pollinators of all shapes and sizes love the plant. Our beloved Monarch(Nectar) and other lepidoptera; like the Ruby Tiger Moth (Host) and the stowaway goldenrod moth (Camouflage/Nectar), and the stem boring Direlect Eucosma moths. The moths that host on the plant provides for young birds.

The notable Goldenrod Gall Wasp provides food for overwintering Black Capped Chickadees. The seeds and flowers provide late food sources for American Goldfinches. The Goldenrod family does not induce allergies it is often blamed for but is really Ragweed that is the culprit. Goldenrods help with easing allergies.

LIVE MUSIC

MOHAWK FOLK AND SOUL

Logan Staats

29
AUGUST
7PM
COMMUNITY CENTRE

Logan Staats began as a diamond in the rough on the streets of Brantford, Ontario. He had no formal musical training, just a good ear and raw lyrical talent. He played the local circuit for years before his 2015 debut release 'Goodbye Goldia', an unvarnished yet hard hitting folk album. He went on to win CTV's 'The Launch' in 2018, gaining commercial success and touring across North America and Europe.

But travelling the world can really open your eyes to what's going on right at home, and the fight for indigenous sovereignty has become a focal point for Staats in recent years. It all intermingles with the music; the passion, the rage, the love, and most of all the healing. He's making roadtrippin' music for those travelling 'the red road'; a path towards reconnecting and relearning indigenous ways.

This is the philosophy behind his sophomore album 'A Light In The Attic', released 2023. These songs are a healing salve, contemplatively composed and offered to listeners in need of comfort. Nowadays, he is busy at work recording his third album in Nashville.

Seniors Prescription Drug Coverage

When a senior in Ontario turns 65, their medications are automatically covered by a program called the Ontario Drug Benefit Program. This program charges a deductible (Client pays for the first \$100 towards their medications every year starting on August 1) and a co-payment (up to \$6.11 per prescription)

If you have status, you do not have to pay the deductible or the co-payment. If you are charged a deductible or co-payment at the pharmacy, please provide them with your status card and those charges should be covered by the Non- Insured Health Benefits Program (Indigenous Services Canada). If you end up paying out of pocket, please contact Peggy Rogers at the Health Centre 519-332-6770 ext.

FYI - Health Benefits under Indigenous Services Canada

The Non-Insured Health Benefits Program (NIHB) - (Indigenous Services Canada) is a National Program administered by Health Canada providing coverage for:

Dental, Drugs, Medical Supplies & Equipment, Medical Transportation, Vision Care, and Short-Term Crisis Intervention Mental Health Counselling.

Client Questions? - contact the NIHB client information line at: 1-800-640-0642

Using you Benefits: When you present your status card to any health provider, as if they bill directly to NIHB before obtaining the service. Ensure the health care provider verifies that the product/treatment is an eligible benefit listed on NIHB

Be Aware: If you are asked to pay upfront, it can take 6-8 weeks to be reimbursed, and you may not get reimbursed if the benefit was not pre-approved. You may want to seek out a provider that does bill directly to NIHB. The Drug or product may be an exception benefit requiring the provider to call the Drug Exception Centre at 1-800-580-0950

Benefits Outside of Canada: You must purchase travel health insurance if you travel outside of Canada. If you are a migrant worker or a full time student working or studying outside of Canada, call NIHB to ask about coverage at 1-800-640-0642 More information can be found at <https://www.sac-isc.gc.ca/eng>

Reimbursements: Mail your reimbursement form along with your original receipts and a copy of your prescription to;
