Community Center/ Bear Park Development

Attention Aamjiwnaang Members:

Community Services would like to provide the following updates on the developments happening at the Community Centre and Bear Park.

As many may have noticed, a 60'x 24' addition on the south side of the Community Center has already started. This addition will be used to store large items like tables and chairs. It will also be equipped with a garage door, that will allow those utilizing the kitchen to unload under a covered roof, near the kitchen instead of at the front door of the Community Centre.

FineArtscape Designs has begun work on landscaping changes and upgrades. This will improve the appearance of the exterior of the Community Centre and require less maintenance and upkeep throughout the year.

Lastly, we will be replacing the bridge that goes over Talford Creek to the Wahboose Circle area as it has deteriorated the last couple of years.

Seniors Prescription Drug Coverage

When a senior in Ontario turns 65, their medications are automatically covered by a program called the Ontario Drug Benefit Program. This program charges a deductible (Client pays for the first \$100 towards their medications every year starting on August 1) and a co-payment (up to \$6.11 per prescription)

If you have status, you do not have to pay the deductible or the co-payment. If you are charged a deductible or co-payment at the pharmacy, please provide them with your status card and those charges should be covered by the Non- Insured Health Benefits Program (Indigenous Services Canada). If you end up paying out of pocket, please contact Peggy Rogers at the Health Centre 519-332-6770 ext. 320

ATTENTION!!!!

The Membership Office will be providing membership services in the afternoons by appointment only.

Please call the Band Office at 519-336-8410 to schedule an appointment.

Attention Aamjiwnaang Seniors!!

Seniors of Aamjiwnaang would like to invite you to join us!!

Our meetings will be held on the 2nd Wednesday of every month at 6pm in the seniors room of the Maawn Doosh Gumig.

We work on and run various fundraising activities:

- Seniors Meat Bingos once a month
- OUR Market, also once a month
- Ball Games 6pm on Thursdays at the Chipadome, selling refreshments.

The last trip that the Seniors of Aamjiwnaang went on was to Chicago in July. This was in part funded by our fundraising activities.

We operate mostly from September to May, with the exception of Thursdays through the summer for ball games.

**So come out to a meeting!!
New members are welcome.**

2024 Waterwalk

“Nga Zhichige Nibi Onji” - “I do it for the water”

As Anishnaabe, our sacred duty is to care for Nibi. When we walk for the water, we embody its continuous flow all day long, beginning with a morning start, touching up throughout, and ending with a touchdown at rest.

We carry asemaa/tobacco to offer at flowing waters, sacred sites, and to honor our relatives in Creation seen along roads or trails. While carrying Nibi, we pray or sing, focusing on meaningful communication. The walk is led by Grandmothers who offer guidance and support.

A big thank you to all those who made monetary donations to the water-walkers:

- Ken Plain**
- Melissa Adams**
- Luke Joseph**
- Donna Brown**
- Dan Williams**
- Shaun Plain**

A big thank you to **Sara Plain** for providing Cedar Foot Soaks for the water-walkers.

Big thank you to **Amy Vandersteen** for cooking on such short notice.

And thank you to Aamjiwnaang First Nation for being welcoming

ELECTION LAW

Aanii, Aamjiwnaang
Aamjiwnaang administrative staff along with Aamjiwnaang bendaazijig (members) have been working on creating a custom election law for many years to promote Aamjiwnaang sovereignty and decrease our dependence on the Indian Act. This law will strengthen Aamjiwnaang.

This law will need to be ratified for it to take effect in our nation. It is extremely important that Aamjiwnaang bendaazijig (members) review the law before it is voted upon.

The two pages to follow outline some key points that make up our election law. The idea is to highlight some key points, members should still review the whole document to be well informed when a ratification vote is scheduled.

- Office schedule is hybrid (in-office and work-from-home office) based on Department Manager determination before each work week;
- Lift up to 20 pounds.

Travel:

- Some travel maybe required, such as for General Membership Meetings, conferences, meetings, and training;
- Some travel may require staying overnight depending on needs.

Preferred Qualifications:

- Post-Secondary degree in a related field, such as Political Science or Electrical Engineering, or combined equivalent in Anishinaabe Traditional Knowledge background (subject to CFN staff review)
- Demonstrable technical training and knowledge with regards to the Ontario Energy Sector, including but not limited to natural gas, hydro electricity, solar energy, wind energy, and sustainable energy systems more generally;
- Proficiency in Windows OS, Microsoft Office programs and Google Suite applications;
- Experience analyzing reports, creating high level summaries, and report writing;
- Strong research skills and ability to convey information effectively orally and in written forms;
- Strong interpersonal and communication skills;
- Experience coordinating and planning meetings and community events;
- Experience working within Indigenous communities;
- Experience in project and team management;
- Ability to work in a team environment and individually;
- Experience in budget development, maintenance, and adherence;
- High standard of ethics and maintain confidentiality; understanding of Indigenous data sovereignty (OCAP) an asset;
- Time management skills;

ADDITIONAL REQUIREMENTS:

- Clean Criminal Records Check;

- Organization skills;
- People skills;
- Maintain confidentiality;
- Must follow Health and Safety Practices on work sites;
- Must follow all policies and procedures of Caldwell First Nation;
- Must be able to work well with minimal supervision;
- Strong time management skills;
- Decision-making;
- Computer skills;
- Excellent communication skills.

MAIN DUTIES & RESPONSIBILITIES:

- Liaise with external stakeholders and entities to ensure representation of Caldwell First Nation's interests in Ontario Energy Sector;
- Work with consultants and specialized professionals to review and/or complete impact studies, impact benefit studies, and ensure environmental protection is a priority;
- Monitor and respond to a comprehensive and detailed database of all incoming consultation requests, documentation, and contact information for external Government and various industry agencies;
- Expand the presence of Department programming, including but not limited to Energy, education, environment, culture, language, etc.;
- Develop proposals/action items with regards to CFN's interests in the Energy Sector and Energy Consultation process; prepare letters, reports, infographics, briefing notes, etc.
- Expand relationships and networks within the CFN Traditional Territory that will contribute to increased involvement and success for areas of interest programs;
- Provide input to and help maintain natural resources information systems and promote awareness of traditional resource management and protection.
- Conduct and assist in conducting community engagements on various ECD initiatives;
- Collect comments, issues, and concerns from community and share with Energy sector organizations like Hydro One, Enbridge, etc.
- Conduct and assist in conducting site visits and monitoring as needed by the ECD;
- Conduct and assist in conducting presentations for CFN Leadership and the community to disseminate project information;
- Collaborate with Energy sector proponents to maximize contracting and employment/procurement opportunities on projects;
- Assist and advise in cross-departmental and -organizational Energy projects and processes (i.e. economic development, Housing, etc.) within Caldwell First Nation as deemed necessary by the Department Manager or Chief Administrative Officer;
- Prepare monthly and annual statistics, quarterly reports, and an annual report in conjunction with the Chief Administrative Officer on an as-needed basis;
- Build in-house capacity in the Environment and Consultation Department by identifying and assisting in coordinating short- and long-term funding;

- Valid Class G license and clean driver's abstract;
- Access to reliable and personal vehicle;

This is a non-union position

At Enbridge, we embrace new ideas and offer an environment where employees are recognized and respected for their input and opinions. We view our employees as our future leaders and strive to provide an environment that encourages self-improvement, innovation and growth so that we can promote from within. We are looking for outstanding employees who share our vision to be the best in everything we do, from safe and reliable operations to innovative solutions and complete team commitment and dedication to our values!

We are looking for someone to support the coordination, development, and fulfillment of the Indigenous consultation portion of the Ontario Energy Board (OEB) and/or Canadian Energy Regulator (CER) regulatory application process, including interrogatory responses. This role will be primarily focused on regulatory actions with limited engagement with the community.

We offer opportunities for growth, with a competitive benefits and pension plan. We'd love to hear from you! Apply today to this phenomenal opportunity with us. #joinourteam

What You Will Do:

- Coordinate and support project-specific Indigenous consultation regulatory applications, including reviewing evidence for filing, the development of interrogatories and evidence gathering for technical conferences.
- Support the development of timely, project-specific environmental responses to Indigenous communities to ensure consistency and accuracy of information shared.
- Support the advancement of Indigenous consultations by working with the relevant government agencies and regulators to share information and receive feedback.
- Assist and support the development and implementation of major project engagement plans to meet regulatory requirements and build, maintain and enhance Enbridge's reputation as a trusted corporate citizen.
- Support our engagement team in maintaining and developing relationships with leadership, key departments and influential community members within Indigenous Nations, Governments and groups in Eastern Canada.
- Support the implementation of Enbridge's Life Cycle Approach to Indigenous Engagement and contribute to our efforts to drive meaningful results on Indigenous economic development and employment initiatives.
- Lead the coordination of various overarching projects, ensuring the counsel of Community and Indigenous Engagement is present and input is provided.
- Provide support and advice on how to implement plans to meet Enbridge's Environment, Social and Governance (ESG) commitments related to Indigenous employment and procurement.

Who You Are:

- University degree from a related post-secondary program with 4 or more years of directly related work or life experience working with Indigenous Nations, Governments, groups, or businesses; and/or a combination of education and work experience may be considered.
- Preference may be given to a candidate who identifies as Indigenous (First Nations, Metis, Inuit).
- Understanding of the Ontario Energy Board, Canadian Energy Regulator.
- Knowledge and aptitude in engaging with Indigenous leadership, Elders and community members.
- Basic understanding of our business and ability to quickly learn Enbridge operations activities, experience in corporate relations, business, policy and/or budgets.
- Exceptional written and verbal communication, presentation, and organizational abilities.
- Ability to prioritize and complete multiple tasks and meet deadlines in a fast-paced environment.
- Strong analytical skills to quickly analyze complex situations and determine key issues and messages.
- Ability to work independently with minimal direction.
- Strong ability in conflict management.
-

Working Conditions (Optional):

- Office environment
- Some after-hour work to ensure regulatory deadlines are met.
- Travel frequently includes driving for long periods of time, including time outside of standard business hours.

Flex Work Clause

Enbridge provides competitive workplace programs that differentiate us and offer flexibility to our team members. Enbridge's FlexWork (Hybrid Work Model) offers eligible employees the opportunity to work variable daily schedules with a flexible start and end time, to opt for a compressed workweek schedule, and the option to work from home on Wednesdays and Fridays. Role requirements determine your eligibility for each option or combination of options. #LI-Hybrid

Diversity and inclusion are important to us. Enbridge is an [Equal Opportunity and Affirmative Action Employer](#). We are committed to providing employment opportunities to all qualified individuals, without regard to age, race, color, national or ethnic origin, religion, sex, sexual orientation, gender identity or expression, marital status, family status, veteran status, Indigenous/Native American status, or disability. Applicants with disabilities can request accessible formats, communication supports, or other accessibility assistance by contacting careers@enbridge.com.

Information For Applicants:

- Applications can be submitted via our online recruiting system only.
- We appreciate your interest in working with us; however, only those applicants selected for interviews will be contacted.
- Final candidates for this position may be required to undergo a security screening, including a criminal records check.

Invitation to Attend the Second Annual Honouring the St. Clair River Event

Come join us for an evening about the St. Clair River! The Canadian Remedial Action Plan Implementation Committee has lined up a guest speaker from the University of Toronto to provide information on microplastics in the Great Lakes. In addition, the St. Clair River Remedial Action Plan Coordinator will be providing an update on efforts to restore the aquatic environment of the St. Clair River. A light dinner and refreshments will be provided.

This in-person gathering is free and will take place on **Thursday, September 26, 2024 at 6:00 p.m.** at Four Points by Sheraton Point Edward, 1498 Venetian Boulevard Point Edward, ON N7T 7W6.

Seating is limited so please register by September 16, 2024 to secure your spot! You have a choice of registering on Eventbrite by way of the QR Code below, or by contacting Mike Moroney, Remedial Action Plan Coordinator through email at mmoroney@scrca.on.ca or by phone at 519-245-3710 ext. 218.

For more information on the St. Clair River Remedial Action Plan visit: www.friendsofstclair.ca

We hope to see you there!

Maawn Doosh Gumig Community and Youth Centre

with Laurence Butet-Roch, Environmental Studies, York University

In summer 2023, Aamjiwnaang residents participated in workshops to make recommendations on how the community's environmental and health concern should be depicted in news publications, as part of a doctoral research on environmental and representational justice.

Join us on Sept.23rd, 2024, from 4.30-7.30pm as we report back on the research, share major findings and output, collect feedback and discuss next steps.

All are welcome. Food, beverages and gift card raffle provided.

FALL HOME MAINTENANCE TIPS

Getting a head start on your home maintenance during the temperate fall days is a great way to ensure your home is ready for the cold winter season ahead! Here are a few tips to help get your checklist started:

- Have a professional (HVAC) inspect your furnace.
- Make sure to check your Air Heating System and change the furnace filters.

- Check for any cracks or gaps in your windows, doors, weather stripping and trim. Seal with caulk or replace if necessary.
- Pressure wash and touch up exterior siding and trim with paint.

Lastly, make sure to inspect the insulation and ventilation of your house.
